The Club

[Kensington Junior Netball Club](#) (KJNC) is run by an Operations Committee of volunteer parents.

We're part of [Kensington Flemington Junior Sports Club](#) (KFJSC), an incorporated not-for-profit community sport association that administers:

- [Kensington Junior Netball Club \(KJNC\)](#)
- Kensington Junior Basketball Club (KJBC)
- Kensington Junior Soccer Club (KJSC)
- Kensington Junior Cricket Club (KJCC)
- Flemington Junior Football Club (FJFC)

We are governed by:

1. [KFJSC Articles of Association and Policies](#)
2. [Netball Victoria Policies and Guidelines](#)
3. [Parkville Netball By-Laws](#)

Statement of Purpose

The Kensington Flemington Junior Sports Club exists in order to:

1. Be a community based junior sports club run primarily by parents for the development and enjoyment of young people;
2. Provide an environment that's safe, friendly and inclusive for all;
3. Create a culture that:
 - seeks to positively develop all players' self-esteem;
 - emphasises the primacy of learning co-operative skills within a team environment;
 - promotes a sense of good sportsmanship and respect for others;
 - ensures that participation in the Club is accessible to all regardless of gender, ability or background;
 - encourages all players to develop their sporting skills to their fullest potential;
 - promotes active, healthy living amongst young people;
 - facilitates the fielding of teams that are competitive, disciplined and well drilled.

Core Values

Respect, Inclusion, Fair Play, Positivity, Improvement.

Child Safety

Child safety is fundamental to how our club operates. All the wonderful things we do rest on the foundation of providing a safe and supportive environment. It isn't something we can leave to chance, or assume that everyone will know to do the right thing.

New volunteers may encounter a few hoops to jump through in the name of child safety – we encourage you to do these thoughtfully, and to take to heart their message.

Prerequisites

There are a few steps for **everyone** (coach, junior coach, team manager, committee member, other volunteer) to go through. **These are essential.**

Please complete & submit the checklist linked below at the start of each season.
If you have any questions, please ask!

Kensington Junior Netball Club – Volunteer Checklist (Autumn 2024)

The following sections provide more detail on different parts of the checklist.

Membership

At the time they begin working for the club, volunteers & paid coaches aged 16+ must either have a child currently enrolled with KJNC, be a junior player themselves, or else provide documented references: see [*Guidelines for the Involvement of Third Party Adults*](#).

Netball Victoria Registration

For full insurance coverage, volunteers must register for their specific role through NetballConnect: either as a ‘Coach’ or, for all other roles, with an ‘Off the Court’ registration.

This is quick and free: All you need is NetballConnect and a discount code for the current season, which is sent out by the club Registrar.

Junior Coaches/Umpires: *Please register as a player first, before you register as a coach or umpire.*

Working With Children Check (WWCC)

All contributors aged 18+ including coaches, assistant coaches, team managers, and committee members must have a current Working with Children Check.

You can apply for a free WWCC card here:
<https://www.workingwithchildren.vic.gov.au/>

When you receive your WWCC number and expiry date, you can enter it into the NetballConnect app like this: Tap More → My Profile → My Full Profile → ... → Personal Details → Other Information → Edit → Children Check Number / Expiry Date → Save. (See [Working With Children Policy](#).)

Volunteers must normally have a WWCC before commencing duties. Committee members with no other duties may provide a valid WWCC within 8 weeks.

Child Safety

You must read the **Child Safety Standards Induction Pack** included in this guide. At the end is a link to an online course: “Play By The Rules – Child Protection & Safeguarding.” You must complete this course – it’s free and takes 30-60 minutes.

Professional Development (coaches only)

Coaches are required to undertake a Foundation Accreditation Course (online) from Netball Victoria upon commencing coaching. You should pay the cost for this yourself and email a receipt to the club Treasurer for reimbursement.

We also encourage coaches to pursue higher levels of accreditation, which we are usually happy to fund. (See [Coaching Courses at Parkville](#).) Please ask the Coaching co-ordinator for approval and send your receipt to the Treasurer for

reimbursement.

Venues

Most matches are played at Parkville Stadium (10 Brens Drive, Parkville 3052), with a small number at Riverside Golf & Sports Centre (75 Newsom St, Ascot Vale 3032).

We currently train at a wide variety of venues, including Parkville Stadium, Riverside, North Melbourne Recreation Centre, and Holy Rosary Primary School.

The club can be reached by mail at:

Kensington Junior Netball Club

Role of the Coach / Assistant Coach

Coaches and Assistant Coaches provide netball expertise, guidance and opportunities for player development through training sessions and Game Day support and advice.

Some teams have a single Coach; others have an Assistant Coach or Co-Coach. This is largely up to the individuals involved. Please reach out to the KJNC Secretary or Coach Co-ordinator if you ever feel you need assistance.

Coaches of NetSetGO teams should also feel free to contact the club's NetSetGO co-ordinator about any issues.

Primary Purpose of Position

- Lead the netball team in a coaching capacity in pursuit of its competitive and development objectives

Key Responsibilities

- Ensure that players are provided with direct learning at a practical level through individual, specialist and team coaching instruction
- Introduce players to varied approaches to learning
- Supervise, support and mentor the assistant coach in both training and competition environment
- Determine in consultation with the Coach Coordinator coaching requirements for the team
- Develop, implement and adapt match play strategies
- Provide coaching instruction to players in the areas of technique, positional skills and team skills
- Evaluate and assess individual and team performance, ensuring individuals are appropriately challenged and provided with constructive feedback
- Take appropriate action to ensure underperformance is effectively dealt with
- Ensure the Team Kit and any other relevant equipment is available at training and competitions, including a first aid kit
- Coordinate the return of equipment to appropriate storage areas after training and competition games

KJNC – Staff & Volunteer Guide

- Know how to use NetballConnect app
- Abide by Association/Club Policies and Procedures
- Abide by the Coaches' Code of Conduct

Knowledge, Skills & Abilities

- Attain minimum Foundation Coaching Accreditation
- Seek to develop a sound knowledge of netball
- Attain knowledge of Netball Victoria's Child Safety in Netball Code of Conduct
- Understand training match day responsibilities
- Seek to improve communication and interpersonal skills
- Maintain confidentiality on relevant matters
- Be able to relate to a diverse group of individuals
- Positive and enthusiastic
- Well organised
- Ethical, honest and trustworthy

Registration & Insurance

All coaches (adult and junior) must download the NetballConnect app and use it to register themselves as a coach, as per the instructions in the Checklist. There is no cost for this.

This is essential – without correct registration, you & your team may not be covered by insurance.

Player Numbers

We target 9 players per team, to strike a balance between financial viability and giving players more court time.

Teams with fewer than 9 may be asked to take on a new player mid-season.

Grading & Team Formation

KJNC uses an independent grading process, which means coaches aren't directly

involved in the selection of players for their own teams. Instead, you're handed a list of kids, and asked to make a team out of them.

This process allows coaches to avoid having to defend team selection to parents. It is unfortunately common for parents to feel their child should be on a different team, for a variety of reasons. When this happens, the club feels it's best when coaches aren't caught in the firing line.

If you receive such queries, please refer them to the club's Complaints Officer. **Please don't tell a parent you agree their child should be on a different team**, as this stokes discontent and can lead to parents pitting you against the club. If you have your own feedback on team composition, direct it to the club rather than parents.

At the start of a season, try to ease anxiety by sending positive messages and modeling learning behaviour:

- Each year is a new challenge – it might take a while to click
- Don't let anyone get hung up on division numbers – there's often little difference between one and another
- Teams & players move up and down over time – this is our challenge for now
- No-one's as good as they can be!

As you build team bonds, remember we're all part of the same club. Teams should support one another.

From 11&U, players need to be graded – placed with teammates of a similar developmental level – both for their own benefit, and because Parkville requires teams to be separated into ranked divisions.

Players, parents, and coaches should understand that **teams usually change from one year to the next** (and even, occasionally, one season to the next), especially 11&U and above. This happens not because the club enjoys mixing things up, but because players develop at different rates, some depart the club while new ones others arrive, and many other reasons, including social, logistical, and welfare issues.

It's helpful if everyone knows the current team is not forever.

While kids tend to form strong bonds, each year offers new friends and challenges. It's common for kids (and parents) to wish they were on a different team at the start of the year, but not want to leave it by the end.

Players aren't moved between teams mid-season except in very rare circumstances, as the club believes this undermines the ethos that everyone must try their best to make things work. However, if there's an issue on your team, do feel free to contact us.

When mid-season changes are made, they're usually because:

- a new player needs a team; or
- a player is experiencing a severe and persistent welfare issue; or
- changing family circumstances created an unavoidable logistical issue.

Your Team's Purpose

As per our Core Values and Statement of Purpose, the club's primary aim is *not* to win games. This is particularly true at younger levels, but holds even for our oldest teams and highest divisions.

Coaches should seek a balance between healthy competitiveness and other concerns, such as player development and happiness.

Some players are more achievement-driven than others, and we do support coaches who seek to maximize performance for a team comprised of competitive, ambitious players, particularly at older levels and higher divisions. But we seek to recognize and value all kinds of achievement by our teams and players, not just those reflected in wins.

Team Kit

Your team should have a Team Kit including:

- 5 netballs (size 4 for NetSetGO; size 5 for older teams)
- Ball pump + needle
- 1 set of 7 positional velcro bibs

KJNC – Staff & Volunteer Guide

- 1 set of 7 pull-over training bibs
- 10+ cones
- 1 whistle (for training)
- 1 team water bottle holder
- 1 First Aid Kit
- Nail clippers
- Nail file
- Tape for earrings
- Hair ties
- Sunscreen (if training/playing outdoors)

Over the summer break each year, the club's Equipment / Coaching Co-ordinator will contact coaches to gather a list of needed equipment. If you've been a coach previously, and already have equipment in good nick, you may only need a few items replaced; otherwise, you should request a full kit.

Retiring coaches should please return their Team Kit to the Equipment or Coaching Co-ordinator as soon as possible.

Communication

We recommend that you or your team manager create a WhatsApp group for your team, which usually works better than email or SMS.

Child Safety policy: Coaches must not privately message junior players. If you need to email/message a junior player directly, copy in their parent/guardian. Where this isn't possible, copy in the club's Child Safety Officer.

Training

Training sessions are usually held mid-week and aim to develop individual player skill, strength, fitness and game knowledge, while building teamwork and tactics. Session duration is normally 1 hour.

Preparation

As coach, you should prepare a written training plan in advance, laying out each

session's goals and how you aim to achieve them.

We recommend making use of Netball Australia's excellent coaching resources:

<https://netball.com.au/coaching-resources>

In particular, coaches should be familiar with:

- The **INF Foundation Coaching Manual**, which is an excellent overview. You may also find [videos of Foundation Skills here](#).
- The **Netball Skills Development Framework**, which provides an age-appropriate Scope & Sequence guide.

A training session should begin with [a KNEE warmup](#) for muscle strengthening and injury prevention.

When teaching a new skill, we recommend following Netball Australia's framework, which proceeds step-by-step to avoid overwhelming players and ensure the basics are performed correctly before adding any competitive pressure.

1. **Explanation & Demonstration:** Discussing the 'when' and 'why' of the skill, including asking players what they think;
2. **Basic Movement / No Equipment:** Allowing players to practice the core skill without distraction;
3. **Basic Movement with Equipment:** Add a cone or similar to represent an opponent;
4. **Add a ball:** Encouraging players to maintain good skill execution while also catching & passing;
5. **Add opponent:** Maintain good execution under pressure from an opponent;

For older players (15&U and above), you may choose to add:

6. **Dynamic drill:** Approaching match-like play, but remaining focused on applying the skill.
7. **Court application:** Match-like conditions, where players are essentially playing regular netball, but encouraged to use the new skill.

Upon arriving at training, always check that the venue can be safely used. (See [Netball Australia Game & Training Checklist](#).)

Hot Weather

There is no precise temperature at which training should be cancelled for heat reasons – this depends on the venue, type of training, and age of players.

- [Netball Victoria Hot Weather Guidelines](#)
– which ultimately refer to advice from [Sports Medicine Australia](#)
- [VicSport Hot Weather Fact Sheets](#)
- [KFJSC Hot Weather Guidelines](#)

EXERTIONAL HEAT ILLNESS IN SPORT SIGNS & SYMPTOMS

Exertional Heat Illness is a term used for medical conditions caused by exposure to heat during physical activity.

MUSCLE CRAMPS	▶ Abdominal, arm or leg muscle pains	▶ Muscle spasms
HEAT SYNCOPE	▶ Dizziness ▶ Fainting	▶ Headache ▶ Vomiting
HEAT EXHAUSTION	▶ Profuse sweating ▶ Weakness ▶ Nausea/Vomiting ▶ Headache	▶ Dizziness ▶ Muscle cramps ▶ Rapid weak pulse ▶ Extreme thirst
HEAT STROKE	▶ Rapid pulse ▶ Confusion ▶ Red, hot and dry skin (no sweating)	▶ Irrational behavior ▶ Seizures ▶ Unconsciousness

Concussion

The potential danger of concussion in children has become better understood in recent years.

It's important both to recognize when a child requires urgent treatment, and to protect kids who have sustained even a mild concussion from risking a second head impact before their brain has fully recovered.

Coaches can't *diagnose* a concussion – that must be done by a medical professional – but you can *suspect* one.

You must suspect a concussion when:

1. a player suffers a forceful collision/knock to the head, or to the body that transmits force to the head, or shows visual signs of a head injury; **and:**
2. reports or displays any concussion symptoms (see next page)

If the child displays any **red flag** symptoms, call an ambulance.

If the child displays other symptoms, sit them out and actively monitor them. They must not return to play on the same day. At the end of the session, fully inform their parents/guardians.

After a suspected concussion, the child cannot return to sport until cleared by a medical practitioner. If the medical practitioner confirms concussion, the child will undergo a staged return to sport:

- non-contact training permitted after 7 days of no symptoms
- full contact training permitted after 14 days of no symptoms
- competitive matches permitted after 21 days of no symptoms

More info:

- [Netball Australia Concussion Policy](#) (April 2024)

Concussion on Court

Recognise

- Unconscious
- Balance issues
- Severe headache
- Fatigue
- Irritable or emotional
- Vomiting
- Dizziness
- Feeling 'foggy'

Remove

If concussion is suspected, remove the player from the training or game immediately, to a safe and quiet place.

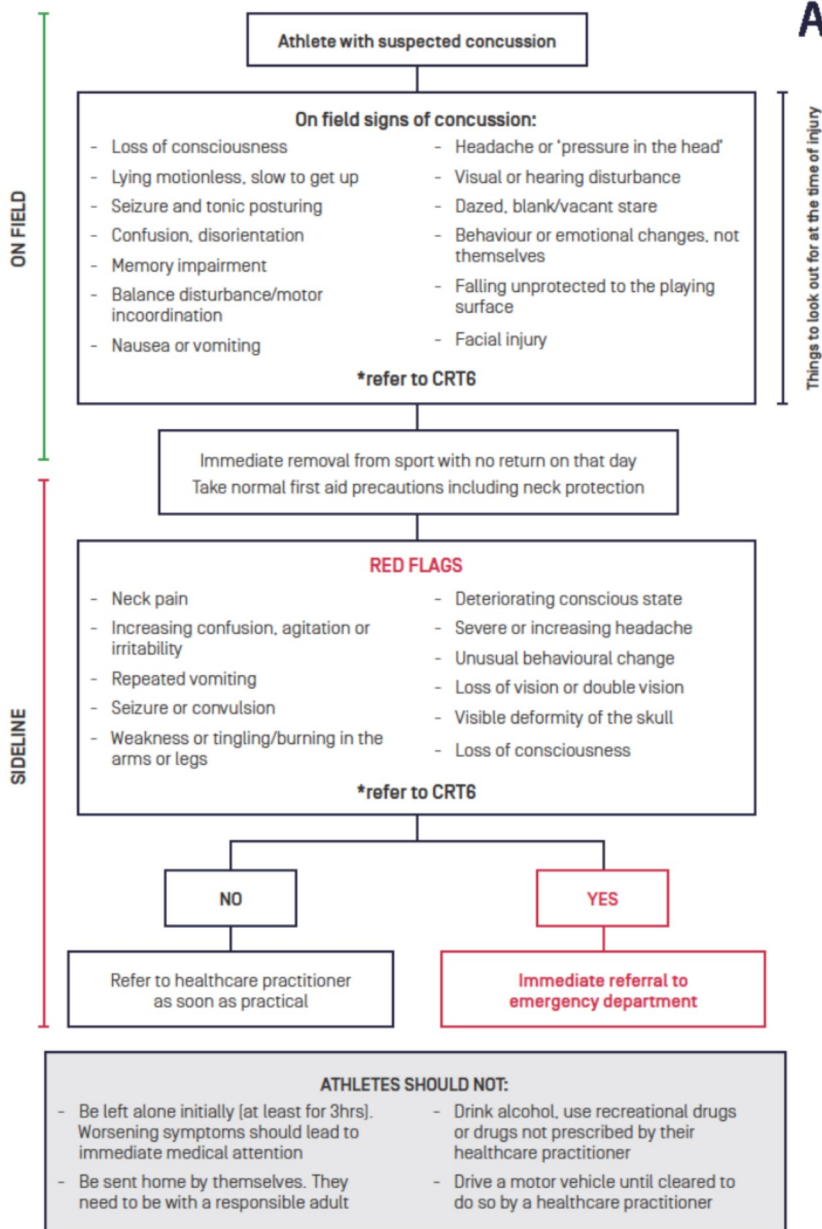

"IF IN DOUBT, SIT THEM OUT"

Refer

- Refer all suspected concussions to a Doctor as soon as possible.
- Work with your Doctor to develop a management plan

Cancelling

If you can't be present for training, please attempt to find an alternate KJNC coach to stand in for you. Parents cannot be given responsibility for training, as they have not gone through this induction (e.g. supplied Working With Children Check details).

If you train at an outdoor venue, please establish a process for notifying parents of cancellations due to inclement weather. For example, you may decide to make a call no later than 2:30pm on the day of training, and communicate this to your team via WhatsApp.

Coaches may decide to cancel training if they know that a large number of players will be unavailable.

Relocations

It is generally **not** possible to relocate to an alternate venue, as these must be contracted well in advance.

Coaches should not privately arrange alternate training venues unless it is made clear to families that these aren't official or implicit club events, as such sessions may not be covered by insurance.

Game Day

Coaches are responsible for drawing up a team roster, and providing guidance to players during the game.

Player Selection: Time On Court

For non-finals matches, KFJSC policy requires that all players receive at least three quarters play on-court in a match. See: [Player Rotation – Playing Time / Playing Positions Policy](#).

When it's not possible to give all players three quarters, be as even as practical.

Teams with 10+ players may wish to roster players off for entire games, rather than sit some out for a half, although this is your choice.

KFJSC policy requires you to keep track of your player selections, so you can do them equitably over the course of a season. The *AutoRoster* app will do this for you automatically. This is often handy data to have anyway, as players or parents may forget how often they've been in particular positions.

For finals matches only, coaches are permitted to roster unevenly for a more effective team balance. For example, some players may be given four quarters while others only play a half. Bear in mind, though, that winning shouldn't come at all costs, and doesn't supersede the club's values and purpose.

If you might roster unevenly for a finals match, set expectations beforehand so it doesn't catch players or parents by surprise:

- Discuss with your team, and explain some situations where you might want to roster unevenly and why. Make sure your team is on board.
- Notify parents via the team chat, and let them know they can contact you if they want to discuss.

Player Selection: Positions

Coaches may roster as they see fit in order to (firstly) develop their players' sporting, personal, and social skills, and (secondarily) build an effective team.

As coach, it's your decision where to roster players, and who would benefit from playing which positions.

In general, KJNC advises that:

- In NetSetGO, all players should spend roughly equal amounts of time in each position across a season.
- At 11 & Under, players should be selected more often in positions that, in the coach's view, best suit their long-term development, while less frequently playing most or all other roles.
- From 13 & Under, players may predominantly play in one or two positions that, in the coach's view, best suit their long-term development,

while also occasionally playing elsewhere.

Children develop at different rates, and a 'skilled' or 'tall' player now may not be so skilled or tall relative to other players in future seasons. Even older players may change roles for various reasons. The opportunity to learn different positions is of long-term benefit to players and their teams.

Conduct

Coaches must adhere to behavioural standards:

- Remain positive and encouraging at all times.
- Don't call out to umpires, nor audibly criticize them or their decisions.
- Don't approach umpires directly, even after the game. (You may accompany a player, who is permitted to ask umpires questions during breaks. You may also speak to league officials.)
- Don't directly address opposition players.
- If you wish to lodge a grievance, contact the KJNC Secretary or President.
- Encourage good sportsmanship, such as shaking hands with opponents after a match.

Extra-Curricular Activities

If you are interested in taking your team to an external event, such as a tournament or game, please notify the club Secretary in advance.

Team Spirit

Your team is much more than a collection of netballers! Particularly at younger levels, coaches are encouraged to pay attention to the social bonding of their players, and teach values such as respect, good sportsmanship, supportiveness, and work ethic.

At older levels, coaches are encouraged to develop their players' leadership and self-organizational skills, such as by inviting them to run their own warm-ups or lead tactical discussions.

Dealing with Parents

The great majority of KJNC families are wonderfully supportive!

At times, however, you may encounter a parent or guardian who acts inappropriately. In these cases, please contact the club for assistance. We will speak with parents as required.

This is particularly relevant to junior coaches. When a coach is younger, parents may try to intervene with well-meaning advice or assistance, which can put you in a difficult position. Please let the club know – we'll support you with any issues.

Junior coaches should feel supported by their Team Manager, and may speak to them about issues. Many Team Managers are quite keen to be involved, and appreciate any responsibility you give them.

Parents should always provide you with respect. They should not:

- tell you how to coach
- criticize you
- take over

A Special Note for Junior Coaches

You're a coach because we think you have the qualities required to make a positive difference in the lives of our netballers.

It's a fun job, but can be a demanding one, too. You might often encounter new situations and be unsure how to handle them.

Please use the Coaches chat to share questions, comments, or information. Or, if you prefer, contact the club privately. Always let us know if there's something you're unsure about.

All junior coaches are paired with an assistant or parent helper.

Coaching Tools

[TheNetballCoach.com](https://www.thenetballcoach.com)

The club subscribes to a package granting coaches access to

online drills and sessions.

<https://thenetballcoach.com>

If you don't have access, please ask on the Coaches group chat.

AutoRoster

You have free access to **AutoRoster Pro**, an app that helps with rostering and tracking stats.

<https://autoroster.io>

[iOS app](#) / [Android app](#)

To join KJNC on the app, which grants you access to extra features, [click here for an invitation link \(Autumn 2024\)](#). If the link has expired, ask on the Coaches group chat for a new one.

KFJSC policy requires coaches to track their team rosters over the course of a season, which *AutoRoster* will do for you automatically.

The screenshot shows the AutoRoster app interface for a match between Kensington Currawongs and SHNC Strikers. The interface includes a 'Back' button, a match title, a date and time, and a 'Round' indicator. Below this is a table with columns for quarters (Q1, Q2, Q3, Q4) and rows for players (Alex, Frieda, Lella, Martine, Neve, Pip, Skye). Each cell in the table contains a player's position (e.g., GK, GD, WA, GS, C) and a color-coded background. At the bottom, there is a summary of the match results (Won 18 - 11) and a list of players (Neve, Dulcie, Lucy).

Players Settings Games Stats Help

Role of the Team Manager

Primary Purpose of Position

- Ensure the successful management of the team and welfare of the players in their care, whilst making sure all on field matters are dealt with efficiently and timely
- Provide support to the Coach and Assistant Coach

Key Responsibilities

- Establish a WhatsApp group or similar to inform team parents & guardians of relevant information, in particular training & match times / locations.
- Before each game, assign a scorer in NetballConnect
- Before/at the start of each game, mark player attendance in NetballConnect
- Receive information from the club Team Manager Co-ordinator and distribute to team parents.
- Document any problems that arise and present these to the Team Manager Co-ordinator
- Be aware of Child Safety policy (see page 50) and ensure it is followed
- Coordinate occasional events such as team photographs, fundraising, and social meetings

Knowledge, Skills & Abilities

- Organisational skills
- Be able to relate to a diverse group of individuals
- Ethical, honest and trustworthy

Team Managers need the NetballConnect app: [see this setup guide](#).

Your essential app-related duties are:

- A few days before each home game, assign a scorer.
- In the hour before the start of each game, complete player attendance.

You'll need to register as a Team Manager before these options are available to you – a registration link will be emailed to you before the start of the season by the club's Registrations Officer.

Please provide a copy of your current Working with Children Check to the KJNC Member Protection Information Officer.

Communication

Each team needs a form of group communication, so the Team Manager can remind parents about each upcoming game, informing them of where it is, and who's captain (which usually means they need to bring after-game lollies).

We recommend creating a WhatsApp group for your team, which has been more effective than email or SMS.

Conduct: WhatsApp groups should not be permitted to become a conduit for criticism of players, the team, coach, or club, particularly when the coach is a junior.

If your team has a junior coach, we recommend placing the following message into your group chat at the start of each season:

This group chat is for general netball information and updates, and for supporting our team and coach, _____. If you ever have specific concerns about the team or club, please feel free to contact me privately.

Child Safety policy: Team Managers should never privately message junior players. If you need to email/message a player, copy in their parent/guardian. If this isn't possible, copy in KJNC's Child Safety Officer.

The group chat is for the Coach, Team Manager, and parents and guardians only – not players. If you notice a player in your group chat, please remove them and inform the parent/guardians that this isn't possible for child safety reasons.

Player Registration

Please help remind & encourage families to ensure all players are registered for

the competition – they may not play until this is done.

Please help & ensure all players have a team uniform and/or have been provided with the Uniform Shop details. Players cannot take to the court on Game Day without a valid uniform. For any inquiries, contact the KJNC Uniform Co-ordinator.

Before Game Day

Player Availability / Borrowing

Communicate with parents/carers to determine player numbers for upcoming games.

Tip: Some teams use the free Doodle app to track availability.

Sometimes your team may not have enough available players. A full team on court is 7 players, and 8 or 9 is preferred, so that you can cover for injuries or allow rests. The absolute minimum number of players permitted is 5, without which the league requires your team to forfeit.

Borrowing Players

If you need additional players, contact other KJNC Team Managers or Coaches to see if they have spares – players who can play for your team instead of their own, or in addition to their own game.

Borrowed players must be checked in alongside regular players with [the NetballConnect app](#). This is essential for insurance coverage and compliance with league rules.

In general, you must always borrow a player from a lower age bracket or division.

Tip: Don't borrow the same player four times in the same season! If you do, she becomes ineligible to play for her own team (or in any lower age bracket/division).

Players can play a maximum of **two** games per day.

Borrowing Players in Finals

To be eligible to play finals, a player must have played at least one-quarter of the season with the club. That usually means 4 games, but will be fewer in short seasons (13 weeks or fewer) and more in long ones (18+ weeks).

If your team is short on players for a final, you may borrow a player from any lower-division team, so long as she meets the requirement above, and isn't playing finals for her own team. It isn't necessary for her to have played for your team before.

We prefer that you borrow players for finals only when absolutely necessary due to absences.

Weekly Notification

Advise parents/carers of the following:

- Game time. It is recommended that players arrive 10 minutes prior to their allocated Game time to ensure games commence without delay and give opportunity for players to warm up prior which can assist with injury prevention.
- Court number
- Team Captain. Refer the *Team Captain* section below. In junior teams, we encourage rotating this role evenly among all players throughout a season.

Some teams allocate a scorer for the entire season; others rotate the duty around (often to the parent or carer of the Team Captain). Either is fine, but in the latter case, you need to:

- Assign a scorer in NetballConnect (see *Scoring* below).
- Ensure that the relevant parent/carers has NetballConnect installed and understands how to use it for scoring.

If your team wishes to have someone hand out fruit/lollies at half/full-time, please check for any allergies or food preferences in advance. For example, vegetarian players may not eat lollies containing gelatine. Food and drink should

not be brought on-court, as per venue rules.

On Game Day

Mark Attendance

Using NetballConnect, record all players present, including substitute players.

This is very important. If a player takes to the court without being properly registered in NetballConnect:

- They may not be covered by insurance for a medical event
- They may be ineligible to play finals
- Parkville may deduct competition points from the team

You can do this through the app up to an hour before each match, and no later than match end.

Tip: Look for **Team Selection**, which is greyed out until an hour before the match. Don't be misled by the *Attending?* list of names – this should be ignored, even though it always shows *Player not signed in*.

Player Readiness

At the venue, please help ensure all players:

- Tie hair up, if long.
- Remove jewellery. Earrings may be taped if unable to be removed. Hairbands etc. must not be kept on wrists during play.
- Shorten nails to below skin level.

During a Game

- Report any injuries to the KJNC Team Manager Co-ordinator (see *Injuries* below).
- Assist with player change overs during the game (i.e. help swap player bibs)
- Score the game, or provide assistance if needed to the scorer. Refer *Scoring* section below.
- Act as a point of contact for any parent/carers queries during the game.

Role of the Team Captain

On game day, the Team Captain:

- Participates in a game of *Rock, Paper, Scissors* to determine the first Centre Pass and to which end each side is scoring.
- (Optional:) Provides fruit snacks/treats for players after a game, or at half-time.
- Encourages fair play and respectful sideline support from any players in reserve
- Leads and encourages fair play practices (e.g. acknowledging and thanking the opposing team following the Game, regardless of outcome).
- (Optional:) You may wish to assign scoring duties to the parent/carer of the Team Captain.

Scoring

Each week, the home team is responsible for scoring via NetballConnect. You should still assign a scorer in away weeks, to sit with the other team's scorer at the scoring desk and (a) verify the score is being recorded correctly, and (b) operate any electronic scoreboard.

Assigning a Scorer

You should assign a scorer in the days before each match, which you can do on your app's Home screen by tapping the match card that has a **Managing** tag and a yellow label "**Scorer not set.**"

Team Managers should avoid scoring, except as last resort. If you're scoring, you're unavailable to deal with any issues that may arise.

Many teams assign the parent of that week's captain as scorer. This can be a bit fiddly, though, as you need to ensure the designated parent has the app installed, is logged in, and is registered on-system as a scorer.

Tip: "For scoring, I installed NetballConnect on a spare phone and the

parent scorers in my team usually use that phone. The phone connects to the Internet via a personal hotspot from my phone or the parent's phone. (The app is registered in my name). This saves some effort vs getting each parent scorer to install, register, log in, then getting assigned as scorer."

Want to assign a parent as scorer but can't find them in NetballConnect?

You may be able to assign their child as scorer, and then the parent can use NetballConnect "More" → "Switch Profile" to gain access to the scoring function.

Parent is assigned but they can't see the Scoring function? Make sure they're logged in – it's possible to be logged out but still viewing your own team. Also try using the "Switch Profile" trick above.

Still stuck? You may need a club admin to manually register them: email a screenshot of the parent's NetballConnect "More" → "My Profile" → "My App Profile."

Scoring on Game Day

During a match, scorers should frequently check they agree with the opponent's scorer. By default, the NetballConnect score (entered via the home team's scorer) is the official result, but you may dispute. In this case, document as much evidence as you can, and email it to the club Team Manager Co-ordinator, Secretary, and President as soon as possible. Include whether the other scorer agrees that the official score is wrong, and how you think the discrepancy arose.

In the event of catastrophic app failure, please record the score using pen and paper, and photograph the result.

Conduct / Reportable Behaviour

If there is any concern regarding the behaviour of any person either participating in or observing a netball game, then this should be brought to the attention of the Parkville management office, who will despatch an observer to assess the issue and intervene where deemed necessary.

If your team has a junior coach, she may need additional support from you. You should act as an interface between parents and the club, fielding questions and providing replies.

Sometimes when a coach is younger, parents are more likely to try to intervene with well-meaning advice or assistance. This can be undermining or intimidating for the coach, and you may wish to guide parents to direct such advice to you instead.

Injuries

Any injury that occurs during netball, including both at training and Game Day, must be reported in a timely manner, to ensure the club is aware of any relevant issues and legal liability. This includes injuries to players, officials, coaches and spectators.

Please assist your team coach in spotting and managing any injuries that occur during training or matches.

Concussions

In particular, Team Managers may spot potential **concussion** injuries, which can be very subtle and escape the notice of coaches. See the “**Safety**” section of this document under “Role of the Coach / Assistant Coach:”

- [Netball Victoria Concussion Policy](#)

Any player who receives a head knock must be removed from the activity immediately and examined for signs of concussion. If they display symptoms, such as confusion, grogginess, nausea, blurred vision, or balance issues, they must be referred to a medical practitioner. *“If in doubt, sit them out.”*

During training

If the injury occurs during training, an Injury Report Form must be completed by the Manager, Coach or treating person. The completed form should be submitted to KJNC for recording and retention.

On Game Day

If the injury occurs on Game Day, an Injury Report Form will be completed by Parkville. Please ask if you can take a photo of this form and email it to KJNC Team Manager Co-ordinator. Alternately, the completed form will be retained by Parkville and can be made available to KJNC and/or the injured party on request.

Insurance – Medical expenses

Where an injury requires medical attention which incurs costs, reimbursement for these costs can be requested by submitting an insurance claim. For further information on the process, the form to be completed and KJNC's Certificate of Currency (insurance certificate) can be found under 'Insurance' on the Victoria Netball website: <https://vic.netball.com.au/insurance>

End of Season

Presentation Day

KJNC holds an annual Presentation Day, usually in late November or early December. Details will be communicated to Coaches and Team Managers who are then asked to communicate this on to their teams.

At the presentation ceremony, the Coaches will be asked to say a few words about the team while Team Managers present each player with a personalised medal/trophy and team photo.

Medal/Trophy

Team Managers will be contacted prior to the presentation ceremony to confirm spelling of player's names (first & surname). It is important that this is checked with parents/carers as sometimes names are not correctly noted at registration and/or the player may prefer an abbreviation of their name for the trophy (e.g. Joe, instead of Joseph).

Team Photo

We recommend Team Managers obtain a photo of the entire team at the first opportunity in the season as it can be difficult to get players all together due to

injuries & absences. The photo can be taken either at training or on Game Day and should include:

- All players
- Coaches
- Team Manager

Full names of all shown in the photograph in order of view (e.g. left to right) will also need to be provided.

Where it is not possible to get all team members in one photo. Head shots of missing players can also be emailed to include as inset images.

Photographic consent policy: Please ensure that families are aware that team photos will be taken during the season and shared with others within the netball club – if they object, photos must exclude that player.

For photos taken inside Parkville Stadium, it is necessary first to print out a “[Photography Registration Form](#)” and get this signed at the Parkville office.

Gift for Coach/es

It is customary but not obligatory for the coaches to be provided a small gift from the players to thank them for their time dedicated to the team during the season.

The Team Manager will coordinate any donations and purchase of a gift item. A signed card or memento from the players/parents is also a nice touch. The gift items can be presented to the coaches following the end of season presentation or in a private team event, as may be arranged separately.

Team Socialising

Whilst socialising of players and parents/carers outside of training and Game Day sessions is not essential, it can greatly help to develop a friendly and cohesive team environment. Some suggestions a Team Manager may consider:

- Picnic/morning tea, following a Game Day match. Parkville Stadium is surrounded by lovely parkland.
- Team lunch

- Pizza after training

It is important to note that these events occur outside of the scope of the netball program, and as such may not be considered for insurance in instances of injury during such an event.

Next Season

As the current season draws to a close, information regarding registering for the next season will be posted to NetballConnect and shared with Team Managers.

Team Managers are encouraged to share this information with current players only (separate registration process is required for new players) and assist or direct any queries to KJNC related to the registration process.

Child Safety Standards Induction Pack

Last updated: 27 January, 2023

Staff and volunteers must be appropriately inducted into their roles at KJNC so you understand your responsibilities to children and how to create a safe environment for them.

At KJNC a child safe culture is championed and modelled at all levels and is understood to be the responsibility of everyone in our netball community.

KJNC adopts and supports the following Netball Victoria Commitment to Child Safety.

Netball Victoria Commitment to Safeguarding Children & Young People

Every person in the netball community has a responsibility to understand their role in ensuring the safety and wellbeing of all children and young people in our care.

Netball Victoria is committed to promoting and protecting the rights of children, and preventing abuse from occurring by fostering a culture where children feel safe and empowered.

We also seek to ensure the cultural safety of First Nations children, children from culturally and/or linguistically diverse backgrounds and children with a disability.

Child Safety in Netball Code of Conduct

The Child Safety in Netball Code of Conduct (Code) outlines the expected behaviour for interactions within Netball in Victoria and aligns with the Child Safety in Netball Policy (Policy). The primary aim of the Code is to protect and safeguard Children and Young People.

All people involved in Netball should:

- Provide a safe environment for Children and Young People in Netball

and comply with this Code.

- Ensure that any physical contact with others is appropriate to the situation and necessary for the person's skill development within Netball.
- Refrain from intimate relations with persons with whom you have a position of authority over.
- Report breaches of the Policy or the Code to the appropriate Person(s) in a Position Responsibility and of Authority.

This Code is to be followed at all times by all Members and all people involved in any way with Netball and includes the following items:

- Positive Guidance
- Adhering to Role Boundaries
- WWCC
- Use of language and tone of voice
- Supervision of young people
- Use of electronic communications
- Giving gifts to children and young people
- Photographs of children and young people
- Physical contact with children and young people
- Sexual misconduct and relationships
- Change room arrangements
- Use, possession or supply of alcohol or drugs
- Transporting Children

To read more information about each of these topics [click here](#) to download the Code of Conduct.

Child Safety in Netball Policy

This Child Safety in Netball policy (Policy) aims to assist NV in creating a safe and positive environment for everyone participating in NV's activities. The Policy sets out NV's commitment to the protection of Children and Young People, as well as outlining the types of behaviour expected from those bound by the Policy.

The Policy consists of the following Parts:

- Part 1: Introduction and Framework;

- Part 2: NV's Child Protection Commitment Statement;
- Part 3: NV's Complaint Procedures; and
- Part 4: Definitions.

Child Safety in Netball Complaints Process

Where a complaint, incident or matter arises which may be dealt with under this Child Safety in Netball Policy (Policy), then it is to be resolved in accordance with the processes in this Policy, to the exclusion of all other NV disciplinary or grievance policies or processes.

For the avoidance of doubt, this means that where a complaint relates to Child Safety and falls within the scope of this Policy, this Policy will prevail and any such complaint shall be dealt with in accordance with this Policy and not the NV Member Protection Policy (or any other NV policy).

NetballConnect

For All Parents: Downloading & Setting Up NetballConnect

- 1) Visit your device's App Store and search for **NetballConnect** and download. Don't download MyNetball – that's the old app, no longer in use.
- 2) Open the app. When asked to accept Notifications, we recommend you agree – this will include information updates from the club.
- 3) If you're new to the app, you'll need to tap "**Login**" underneath "Are you a Coach, Manager, Umpire, Scorer or Parent (Player under 18)?" Enter the same login details you used to register at the start of the season.
- 4) Tap **Draws** at the bottom of the landing screen.
- 5) Tap **Add a team**, then start to type **Kensington** and tap *Kensington Flemington Junior Sports Club* when it appears.
- 6) You should now see a list of teams. Select the one(s) you want to follow by tapping them. You may need to scroll to see all teams. When you're finished, tap **Done**, then **Done** again.
- 7) You're now setup to view:
 - **Home** – upcoming games, Live scores (tap to view), News
 - **Draws** – all times, courts, and results
 - **Ladders** – for competitions that track ladders
 - Messages – not currently in use
