These tips are designed to assist with Football Australia’s Play Football registration system, which is a national registration system incorporating professionals and amateurs.

The club can guide you through the process, but any system issue needs to be rectified directly with Play Football Registration Portal.

Play Football Registration Portal

Returning Player or Volunteer

If you (as a volunteer) or your child (as a player) has previously been registered, please ensure that you use your existing profiles in your Play Football account as it will make your registrations easier.

If adding a new child, you can do so in the Family Management section and then select the “+” in the Family Relations area.

Also refer to the tips below.

New to Play Football

At the Sign In page, select “Don’t have an Account”.

If you have a Google account, it is easier to use this option to create an account.

If you do not have a Google Account, fill in all options as the parent and select Register.

Once your account is registered, you can then add your child in the Family Management section and then select the “+” in the Family Relations area.

Please be patient and follow the tips.

Tips for all registrations

Play Football works better using Google Chrome as a browser.

Please use a large screen as it is easier to see the whole screen to answer registration questions. Using your phone could limit what you see, especially if you are new to the system.

Once in the system please ensure you have selected our club.

Payment must be made at the time of registration. Unfortunately, no cash payments, so please have your payment options ready.

For example, use the card details that you would use if you shopped online.

Finding KJSC Registration Products

You can locate all KJSC Registration products in the Find A Product area.

In the Available Products area, drop down the left field and change it to Organisation.

Enter “Kensington Junior SC” and select search to display all out products.

If the products do not look like this or have our KJSC logo, then this is not our product. Please do not proceed until you locate the correct product. KJSC will not be able to assist with any registrations made to a different club.

Get Active Victoria vouchers

These club has these products which attract a concession rate (\$328 for MiniRoos, \$368 for Juniors).

Option 1: If you have an eligible voucher with the club's name.

Please email a copy of this voucher to "registrar.kjsc@gmail.com".

The club will have to reconfirm eligibility with Get Active Victoria.

Once approved the club will email a link to commence registration, with a club-issued voucher for the eligible amount.

DO NOT USE any other the above products.

The balance of the total cost of the registration must be made at the time of registering, or else the system will not allow the registration to proceed.

For example, the cost is \$368 and you have an eligible voucher for \$200, you will have to pay \$168 to complete the registration.

Option 2: If you do not have an eligible voucher with the club's name.

Please register using any of the products on page 3.

Then use the invoice and submit as part of your application for a Get Active Voucher (<https://www.getactive.vic.gov.au/vouchers/>).

The club does not manage this process.
